

Powell County 4-H Livestock Club

4-H Livestock Club members have the opportunity to learn about and raise livestock to show at the county and state fairs. Youth also have the chance to sell their animal at the annual Livestock Show and Sale each fall for a very nice profit!

4-H members who are interested in showing livestock must be a member of the Powell County 4-H Livestock Club. To join this club and sign up to raise an animal, please call the Powell County Extension Office at 606-663-6405 or contact:

Valerie Stewart at vstewart@uky.edu

or

Dean Rogers at dean.rogers@uky.edu
